Pavement markings to know

Also federal, and also the same in every state.

 <p>Broken Yellow Center Line</p> <p>A single broken yellow line separates opposing traffic and permits passing when the way is clear.</p>	 <p>Broken-and-Solid Yellow Center Line</p> <p>Pass only from the broken-line side; the side with the solid line may not pass.</p>	 <p>Double Broken Yellow Line (Reversible Lane)</p> <p>Two broken yellow lines mark a reversible lane whose direction of travel changes at certain times; obey the lane-control signals overhead.</p>
 <p>Double Solid Yellow Center Line</p> <p>Two solid yellow lines separating opposing traffic; passing is prohibited from either direction.</p>	 <p>Solid Yellow Center Line</p> <p>A solid yellow line separates lanes of traffic moving in opposite directions; do not cross it to pass.</p>	 <p>Yellow Diagonal Crosshatch (Neutral Median Area)</p> <p>Yellow diagonal stripes inside a yellow border mark a painted median or neutral area between opposing-direction lanes that drivers must not enter.</p>

Broken White Edge Line

A broken white line along the right edge of the roadway shows where through lanes separate from an auxiliary lane such as an exit, entrance, or right-turn lane.

Solid White Right Edge Line

Solid white line marks the right edge of the travel lane and the start of the shoulder.

Solid Yellow Left Edge Line

Solid yellow line marks the left edge of the roadway on a divided highway or one-way street.

Wide Solid White Edge Line

Extra-wide solid white edge line emphasizes the right edge of the travel lane.

Broken White Lane Line

Broken white line between same-direction lanes; lane changes are permitted when safe.

Dotted White Extension Line

Short white dots extend a lane line through a merge, exit, or intersection area.

Double Solid White Lane Line

Two solid white lines forbid lane changes; drivers must remain in their current lane.

Green-Colored Bike Lane

Solid green pavement bordered by white lines marks a bicycle lane, especially through conflict zones with motor vehicles.

The last thing to review before the test. Keep it in sight while you study, not while you drive.
